Rural Refurb

Please vote for Rural Refurb!

Rural Refurb operates similarly to the CDFHS model by taking unwanted and often damaged furniture, repairing, restoring and “Shabby Chic processing to a bespoke and desirable item. It adds an extra dimension of choice to the CDFHS offering”.

We have gotten through to the public voting of Peoples Millions (Big Lottery). ITV filmed our project recently.

The public are invited to vote for “Rural Refurb”. There will be a telephone phone in and number available from 7.00 am on November 25th.

VOTE FOR US: We will contact you with the number, help us win!
